A warm hello to our new and regular subscribers. This newsletter is our way of alerting you to recent stories posted on our website, WomenRidersNow.com (WRN).

Being that February is the month we celebrate Valentine's Day, we have an inspiring motorcycle love story submitted by WRN reader, Charlie Hoummes. Be sure to take the time to read her wonderful article.

Speaking of motorcycle love stories, I have many moments to be grateful for with my favorite

riding partner, my beautiful wife, Mary. This is one of my favorite photos of us touring the scenic state of West Virginia—Mary on her Harley-Davidson Fat Bob and me on a Yamaha Super Tenere.

Mary and I are looking forward to another season of great rides: Babes Ride Out East in June, a family motorcycle camping trip in July, and August's big event, SCMC2020, created to commemorate 100 years of women's right to vote in America. Be sure to check back occasionally as we update WRN's [calendar of women's motorcycle events](#) regularly.

If you don't have a riding buddy, we have some advice to help you find one. We've resurrected one of our popular articles, *9 Ways to Find a Motorcycle Riding Buddy*, penned by my other favorite moto partner, WRN Founder Genevieve Schmitt. Be sure to read all the helpful comments at the end of the article too.

Ride safely with love and kindness,
