

Since 1999, the #1 Motorcycling Resource for Women and Those Who Ride With Us

July 19, 2022

Hello friends and new subscribers. This newsletter is our way of sharing news and articles recently posted on [WomenRidersNow.com](https://www.womenridersnow.com) (WRN).

This summer, I'm finding strength and solace in the women's riding community. Last weekend I attended my first Mariposa Run, an Oregon-based event for women and non-binary riders. The Run gave me some much needed quality time with incredible and passionate riders and led me to areas of my home state that I've been meaning to visit for years.

Earlier this summer, I also had the opportunity to ride with some amazing women at the Touratech Rally in Washington State, including Jenna Morgan and Golnoosh "G" Namazi of the REV'IT! Women's Adventure Team, as well as Donni Reddington of Skool of Moto. It feeds my soul to spend time around bold, capable women who are powerhouses within this sport, country, and world.

Do you have riding buddies who have empowered and inspired you the way that these women have for me? We'd love to hear from you. Please send [your stories](#) of inspiration with us so that we may share them with WRN readers. Thank you!

Ride well and do good,
Kirsten Midura | Marketing Program Manager, [WomenRidersNow.com](https://www.womenridersnow.com)

2022 Can-Am Spyder RT Limited

No clutch, superb brakes, and tons of traction and storage

[READ REVIEW](#) ▶

In her 1,500-mile test of Can-Am's lux tourer, editor Tricia discovers why so many women (and men) enjoy the company's three-wheelers. Offering the same open-air fun experience as motorcycles, the comfort, convenience, stability, and ability for almost anyone to control them is unlike any other machine. Check out the features and benefits of the Spyder RT Limited! [READ REVIEW](#)
