

Since 1999, the #1 Motorcycling Resource for Women and Those Who Ride With Us

January 23, 2024

Happy New Year! This newsletter is our way of sharing articles and news recently posted on [WomenRidersNow.com](https://www.womenridersnow.com) (WRN).

This time of year I update our [calendar of women's events](#) with all the exciting rides, tours, and events I can find for women riders. Subsequently, I end up filling my own calendar with places I want to go on my motorcycle. I hope you can join me!

I'll be hitting up some new-to-me events, such as the 3rd Annual [Athena Ride for Women](#) in July and [Florida's Tallahassee Bike Fest](#) in April. But perhaps you'd like to join me and my colleagues in Portugal and Western Spain this autumn on WRN's ["Ladies First" 8-day tour](#). Come with us as we ride adventure bikes on Europe's amazing roads with jaw-dropping scenery during the day, and get pampered, wined, and dined each evening.

Or maybe you'd rather explore Americana in the south on the AMCA Riveter's ride, Chix at the Crossroads. Women riders on antique and modern motorcycles will traverse the southern states in June, visiting some of the country's musical epicenters along the way. One of the most memorable and epic rides I've ever been a part of was the club's inaugural [ride of Route 66](#) a couple years ago. WRN is proud to be the group's premier media partner again, which means we will be documenting the ride along the way on our [website](#) and [Facebook](#) and [Instagram](#) pages.

No matter what you are planning, we hope our articles inspire you to push beyond your comfort zone to have fun and challenge yourself. We'd love to hear and [share your story](#).

Ride safely and with love,

Tricia Szulewski | Editor, [WomenRidersNow.com](https://www.womenridersnow.com)
