---

Hello new and regular subscribers. This newsletter is our way of sharing articles and news recently posted on [WomenRidersNow.com](https://www.womenridersnow.com) (WRN). Please forward this to your friends who ride AND those who want to learn to ride and [encourage them to subscribe](#) so they can stay in the know too!

'Tis the season for new 2024 motorcycle launches and lots of [epic tours, rallies](#), and demo rides. We just published our review of Harley-Davidson's awesome newly-designed [Road Glide and Street Glide](#) baggers. Have you had a chance to test ride one yet?

I'm just back from the TouraTexas Rally at [Austin Moto Adventures](#) where I was able to connect with new and long-time riding friends. Next the WRN team will be heading to Tallahassee, Florida, for our third year at the [Tallahassee Bike Fest](#). What ride plans are you looking forward to?

It's also time for Spring cleaning and getting your motorcycle gear ready for the months ahead. In the front of my closet will be [BMW's new women's GS Rallye GTX suit](#). I had the chance to test it out in Spain aboard the new [R 1300 GS](#) and found it an excellent addition to my gear closet. I hope you enjoy our full review of this amazing riding outfit.

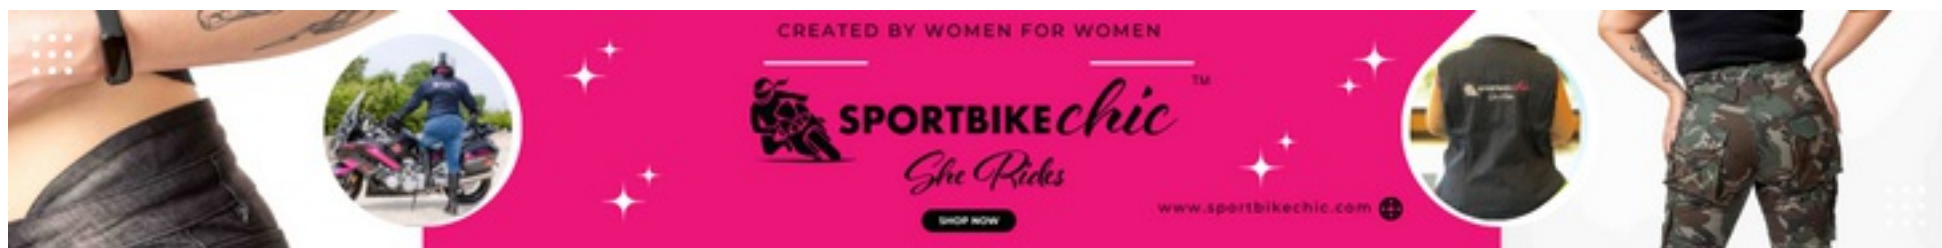

Want to link up with fellow riders and learn more about what bike options are out there? Try our [Facebook page](#) and [Instagram channels](#). We would love to have you be part of the conversation!

Stay safe out there, and remember "All The Gear, All The Time" (ATGATT). And please do keep us posted on your adventures.

All the best,
