Hello new and regular subscribers. This newsletter is our way of sharing articles and news recently posted on [WomenRidersNow.com](https://www.WomenRidersNow.com) (WRN). Please forward this to your friends and [encourage them to subscribe](#) so they can stay in the know too!

Riding season is in full throttle, and this summer is packed with amazing women-focused events. You don't want to miss out on these unforgettable experiences. Joining forces with fellow women riders and hitting the open road is an incredible feeling. There's a unique camaraderie that blossoms at women-centric motorcycle rallies, forging bonds that last a lifetime.

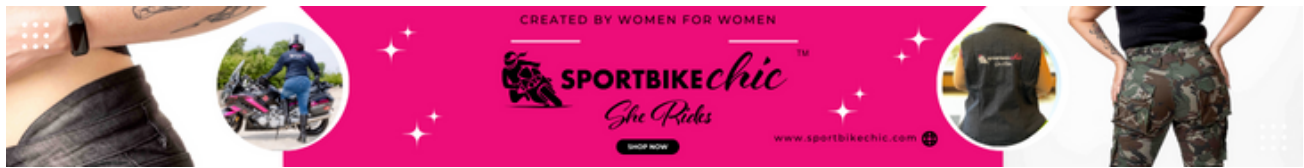

These events offer more than just the thrill of the ride—they're also a fantastic opportunity to learn new skills like welding and draw inspiration from independent female riders. I'll never forget my first Babes Ride Out a few years ago. I met so many phenomenal women, including the unforgettable Liz, who at "68 plus" rode in on one of her four bikes. Back in the day, she defied expectations, got herself a motorcycle, and raced for years! Her trailblazing spirit has made it possible for all of us to enjoy this incredible sport without facing resistance. Her energy is absolutely infectious!

Stay tuned to [WRN's Facebook](#) and [Instagram](#) feeds in the next couple weeks as we feature the AMCA Riveters' All-Women's Ride: Chix at the Crossroads. Enjoy the ride, ladies. Let's make this season unforgettable.
